UPDATED NOTICE OF REVISED STANDARD DOMESTIC CONNECTION CHARGES

NGN Standard Domestic Connection Charges are being revised with effect from 15 August 2009 in order to reflect changes in the costs of providing these services. The charges are increasing by an average of 5%. However the cost of Zero Horizontal Length jobs has decreased marginally.

The changes to the charges are set out in summary below:

Standard charges for the connection of individual domestic premises anticipated to consume 73,200 kWh per annum or less

(exc VAT)	Inc. Excavation & Reinstatement	Ex. Excavation & Reinstatement	Zero Horizontal Length
North of England	£540	£381	£297

The new prices will apply to quotations issued from the 15 August onwards. Quotes issued prior to this date will be honoured at the original price provided the quotation is accepted within the appropriate validity period.
