

Land Enquiry for an NDM GT Connected System Exit Point

From GT to Northern Gas Networks:			
GT Ref Number		Date of Request	
GT Name		For the Attention of (Northern Gas Networks)	
Address (incl. postcode)		Northern Gas Networks	
GT Contact Name		GT Telephone Number	
GT Signature		GT Fax No.	
GT Site Information		Job Title	
CSEP Name		O/S Map Reference	
Site Name		CSEP Development Period (Years)	
Street			
Town		CSEP Connection scaled location plan enclosed?	
County			
Postcode		Is this the Initial Request?	Yes / No
		If No, existing Site Works Ref No	

Load Details	EUC01B (Domestic)			EUC_____** (Non Domestic)			Max CSAQ for all EUCs (kWh)	Max CSEP Offtake Rate (kWh/h)
	No. NDM Conns	CSAQ (kWh)	SHQ (kW)	No. NDM Conns	CSAQ (kWh)	SHQ (kW)		
A Year 1								
Year 2								
Year 3								
Year 4								
Year 5								
Year 6								
Year 7								
Year 8								
Year 9								
Year 10								
B Maximum Potential Load, A plus additional Condition 16								
Future								

** For each EUC, the category, number of connections and CSAQ offtake rate must be stated for each year.

For industrial/commercial premises indicate the following:

Type of Load (eg. modulating, constant, process/on-off/CHP)

Is the proposed load requested to be Interruptible? Y/N (if not completed assume Firm)

Will a compressor be fitted? : Y/N

Does your request fall within the parameters of the standard design pressure table in NGN/SP/NP/14/E? Yes/No/Not Applicable*

If Yes, do you want to use the standard design pressure? Yes/No**

*Requests relating to existing sites connected prior to the 1st November 2002 are exempt from payment.

**Please note that if a network analysis service is requested this will be chargeable.

If both A and B loads, or only the A load falls within the parameters of the table a single charge will apply

The Anticipated Connection Date is ____ / ____ / ____

Any Site Anomalies, Additional Conditions, Site Rules or Regulations?	
Any Construction Period Constraints?	
Any Enhanced Facilities Required?	
Further information may be provided on a separate sheet. Please indicate here if attached:	
Do you wish to complete the final connection ? Yes / No	
FOR GT FINAL CONNECTIONS ONLY – Please confirm company name for the following GIRS registration scopes:	
Design:
Construction/Commissioning/Connection(Routine):
Construction/Commissioning/Connection(Non Routine):
Project Management:
