

1st March 2017

Dear Colleague,

Northern Gas Networks' Metering Charges from 1st May 2017

Please find attached schedules showing Northern Gas Networks' revised metering charges to apply from 1st May 2017. This notification is provided 2 months in advance of the effective date consistent with the notice period required in Northern Gas Networks' Metering contracts.

A summary of the revised charges are outlined below.

- **Datalogger**

Datalogger charges apply to all dataloggers at daily metered supply points, as defined by the Uniform Network Code. The tariff cap for this activity continues to be subject to adjustment in line with inflation.

	Pence per day	£ per annum
Total	148.6164	£542.45

- **Prime & Sub Meter**

The provision of meter reading services to shippers for meters at Sub-Deduct Arrangements as defined in Uniform Network Code (UNC) Transportation Principle Document (TPD).

	Cost
(N05) Monthly Read	£7.37
(N06) Domestic Non Monthly Read	£3.37
(N07) I & C Non Monthly Read	£5.79
(N08) I & C Opening Reads	£8.63

- **Must Read Provision**

The provision of meter reading services to shippers where a shipper has failed to provide one as defined in Uniform Network Code (UNC) Transportation Principle Document (TPD).

	Cost
(W07) Must Read	£53.88

The revised charges will be published on Northern Gas Networks' Internet site <http://www.northerngasnetworks.co.uk>. If you have any questions about the new charges, please contact:
