Background

Paragraph 7(e) of Standard Special Condition D10 of the Gas Transporters Licence of Northern Gas Networks Limited provides that Standard Special Condition D10 shall not apply to requests for connections classed as excluded connections. Excluded connections are to be defined in a statement issued from time to time by the licensee and agreed with the Authority, after such consultation that the Authority directs. The statement is detailed below.

Statement of Excluded Connections

Excluded connections are detailed as follows:

- Complex connections
- Infills
- Any requests requiring an element of non-contiguous reinforcement where the non-contiguous reinforcement total expenditure is greater than £20,000
- Requests deferred by the customer
- Self Quotes are excluded only from the Quotations standard
- Budget Indication requests
- Sites of special scientific interest (SSSI) and other national or internationally designated sites such as, but not limited to, National Parks, World heritage sites and nature reserves.

Copies of our complaints procedure can be found on our website:

<http://www.northerngasnetworks.co.uk>.

In the first instance complaints should be raised with NGN at the above address. If the matter is not resolved it should be referred to the Energy Ombudsman.

If the Ombudsman are able to help they will study your complaint, make a decision and let you know what they have decided.

If the Ombudsman believes there may be a case to answer then NGN may be required to:

- provide an apology; or
- provide an explanation; or
- take corrective action; or
- if appropriate, pay compensation

Please note:

The Ombudsman is not able to help you unless you have gone through our complaints procedure first.

The Energy Ombudsman can be contacted as follows:
