No ☐

Meter details

This section will help us to design and price your new gas service. If you're unsure about any of the information in this section, please contact us on 0800 408 5500.

Less than 65kWh gas loads

If the property/properties that you told us about in Section 3 have gas loads less than 65kWh, please select a meter type/termination and indicate below.

Which kind of meter box/termination would you like?

How many are required for these properties?

Where do you want it installed?

an example answer might be 'left hand wall'

More than 65kWh gas loads

If the property/properties that you told us about in Section 3 has a peak gas load of more than 65kWh, this means the gas meter won't fit into the meter boxes described above and will need to be housed in a meter kiosk.

Do you want us to quote for supplying and fitting a meter kiosk(s)?

If you have peak hourly loads greater than 65kw, your gas meter will not fit into the meter boxes described above and will need to be housed in a meter kiosk. You can supply your own meter kiosk or NGN can supply this for you.

Yes ☐

No ☐

N/A ☐

Do you also want us to quote for supplying and fitting a concrete base for your meter kiosk?

Yes ☐

No ☐

Who will be doing the digging on your property?

I would like to do my own digging ☐

Northern Gas Networks can dig ☐

Declaration

By submitting your application, you agree to Northern Gas Networks processing your personal data to process your connection application. As part of this we'll share your personal data with a nominated third party to ascertain whether or not you're eligible for fuel poor funding. If you accept our quotation, on completion of the connection we may also share your personal information with a nominated third party who may send you a postal customer satisfaction survey to complete in accordance with Of's customer satisfaction survey procedure. Your personal data will be processed and stored in accordance with the Data Protection Act 1998.
