Meter details

Surface mounted meter box

Built-in box

Internal meter

Meter kiosk

Semi-concealed meter box

Northern Gas Networks will supply surface mounted or semi concealed meter boxes. Should you require a built in box, you or your builder will need to supply this and build it into your wall. Northern Gas Networks do not fit gas meters - you will need to contact your preferred gas supplier and arrange for them to fit a meter to your new gas supply.

Which kind of meter box/termination would you like?

Where do you want it installed?

an example answer might be 'left hand wall'

Who will be doing the digging on your property?

I would like to do my own digging ☐

This means that you will dig the trench where we will lay the gas pipe. You will also be responsible for reinstating (filling in) the trench once we have laid the pipe.

Northern Gas Networks can dig ☐

This means that NGN will dig the trench for the gas pipe and then NGN will also reinstate the trench once the gas pipe is laid.

What type of building do you want to connect?

Existing building(s) ☐

New building(s) ☐

Both ☐

On site excavations / site considerations

Please can you tell us about anything unusual about the site, for example, specialist surfaces such as print crete or stone, steep or high boundry walls, streams, access issues, rail crossing, watercourses, conservation area or contaminated land. We need to know this so we can send a surveryor to meet you and discuss if these will affect our work:

Are there any further developments or additional services anticipated on site?

Yes ☐

No ☐

Don't know ☐

Please add a drawing of your property and include where you would like your meter to go, or any other information which you feel would be useful to us to process your application.

Please note that the quote we will provide is based on this information. Please ensure that meter positions and measurements are accurate.

Did you know you might be eligible for funding on your new gas supply?

Your postcode can help us identify this. If it does, our partners Communitas Energy will carry out a quick phone assessment to see if you qualify.

Tick here if you're happy for them to call you ☐

If you already have a fuel poor code please enter it here:

Declaration

By submitting your application, you agree to Northern Gas Networks processing your personal data to process your connection application. As part of this we'll share your personal data with a nominated third party to ascertain whether or not you're eligible for fuel poor funding. If you accept our quotation, on completion of the connection we may also share your personal information with a nominated third party who may send you a postal customer satisfaction survey to complete in accordance with Of's customer satisfaction survey procedure. Your personal data will be processed and stored in accordance with the Data Protection Act 1998.
